Map

ORIENTEERING
WORLD CUP
FINAL ROUND 2018
CZECH REPUBLIC

- Scale 1:10 000, contour interval 5 m, ISOM 2017
- There are very steep slopes, which can be slippery in a wet weather. Be careful when passing through such areas.
- There are many dangerous cliffs in the forest, which are several meters high. It is not possible to mark all of them by tape due to how their vast numbers. Consider all the cliffs as impassable and dangerous and **do not try to jump off them.**

Special notes for Middle

- There isn't any passage through arena or coaching zone
- There is 1 refreshment station
- Wasp nest on the way to the first control, especially men may encounter it – taped in terrain 5x5 meters, not marked on map
- It's possible there may be some fallen trees after recent strong winds
- From the last control to finish, it's 240 m – not 150 as in the control descriptions – finish circle isn't exact as on map due to legibility
- Cool down is possible outside of the arena – there will be a map of the cool down area hanging in the team zone

Map exchange

ORIENTEERING
WORLD CUP
FINAL ROUND 2018
CZECH REPUBLIC

- Race A only
- Both maps are inserted in one plastic bag which the runner gets at the start. Similar to the map 2+3 at knockout sprint.
- First loop starts with control number 1 and ends with a control, at this control runner has to turn the map and continue the course
- Second loop begins with start triangle which is located in the same place as last control from the first map.

Special notes for Sprint

- A race: 40 competitors (and ties) who are highest-ranked World Cup standings after competition 10 (after Saturday)
 - The quarantine is only for race A
- All other competitors will be in a B race. The B race is a separate race being categorised as a standard WRE (not a World Cup event) for ranking purposes.
- After finishing the race, runners have to stay in the team zone or in the arena until the race is over – cool down possible in the spectator space (until B final finished)
